The Southern District
of
New York

Dear: Honorable Judge John G. Koelt

Your Honor First I will like to Apologize to you And
this Court For coming back in front of you, but the
Circumstances Are not similar or equal. Your honor I
was not out there committing Any Crimes, Doing Anything
illegal And or hanging around Felons or ex-convicts.
I was dedicating my time to my kids, Family And
working From home (Doing Graphic Design). Your honor
my whole violation is base on my integrity me telling
my po. Reyes that im moving because I found my
Daughters mother with another man in my bed
me telling my po. that I slept in my mothers house
out of the Southern District And that that night I

A little light Due to my health conditions, your honor
 At the mee All they ~~are~~ worry About is Covit 19
 And fixing their security they are negligent to
 everything else, For instance I caught A seizure And
 was unconscious For 2½ hours It took them
 3 hours to respond to my medical problem.
 Sir I been requesting to see A Doctor For over
 A month because I was Diagnose with
 Stomach Cancer And the Doctor just took my
 Pulse And said "your young you can live 20
 years with cancer," your honor I went Faithfully
 to my outpation program even when I stop
 reporting to probation, I am not blaming nobody
 but myself I could've seek Another route but
 your honor everytime that my P.O. tells me to
 Come see him I just remember About those
 8½ months that I had to Do extra For A
 mistake the Boy And the Government made And
 when it was said the Government's Answer on
 Record was "yes we made him Do And extra
 8½ months and he still Did not know his like."

Never Caught my woman with Another man
We will never have been in this position, Sad
but ~~that~~ Again I Am Sorry For Anything I
Cause, And me being the only person that was
not even present when the robbery occur I have
Pay more than any of my peers, Thank you
your honor All I ask is For some Consideration
And Compassion. God bless you And your Family
Thank you

P.S. Your Honor if I
get out by April I can
still have A job At A
hair product Company
(Milano hair products)
516-249-1075

They know my situation
And they are willing to
help me, Thank you

Respectfully Submitted
